You dipshit, I know you are in cahoots with Mr. Vance Dunton (2697 Pixanne Ct, San Jose, CA 95148) by conspiring to meet with the redneck folks at the Ku Klux Klan to harass Taylor Swift and her family. I also know you are in cahoots with him to sue Kiwi Farms for causing the Capitol riots in January, and I know Vance's real identity. His real identity is Todd Daugherty, an Illinois native and a redneck Jew Trump supporter.

Wrestle, it's David Burnett. Just wanted to let you know I have some friends involved and I just heard they laughed at your video. Sorry buddy, but she didn't make it you got to reject it will probably find out soon, but I'm thinking to give you a heads-up. Also, you're not 5/8. All right, we saw you post. We saw your picture next to dinner off with 5 7 you much smaller than him. We saw your picture next to Ariana Grande. You're almost her height a little bit over her High here. Maybe five foot three. Okay, so pipsqueak is very appropriate. So now you have pipsqueak you lost a GT and you have pets quick to the Bottom Blues for the fourth time to Greg skordas. Have a great year, bye-bye.

RE: Greg Skordas

Skordas is going to blow your pipsqueak ass out of the water, and he's also asking for attorney's fees. Hope you've got enough saved up in the hooker fund to pay Skordas for wasting his time, ya short little insignificant manlet pipsqueak.

PS: We are all still laughing at your AGT audition video. One of the worst we have ever seen.

David Burnett is a sick man who has been harassing me through phone and email. He is from a hate site that is responsible for the suicides of 5 people. Literally in one week, this sob has harassed me four different times. And everything he just said is a bunch of crap. He somehow found a video that was never made public, doesn't know crap about the audition or anything else. Unlucky for him, I've forwarded everything to the police. So to "David": stop. Please just stop.

pretty badly. At first I was all, wow! An author. Then I read the reviews of one of your books and the general consensus was that you have the mindset of a serial rapist. One of the comments actually says that any ladies who know you in real life should run quickly. You've probably seen these so I'm sorry if this is tedious to listen to. I don't care that you're disabled, or how. My son is as well. I do care though if you don't respect women because I was in one of those relationships and I would never do it again. I generally don't judge a book by its cover so I am wondering what you have to say about all of this?

Atchison also allegedly frequented the Daily Stormer, the racist alt-right’s most notorious website, in addition to other known online communities favored by the alt-right, such as EncyclopediaDramatica, Kiwi Farms, 4chan and various videogame forums.

Atchison’s affinity for and participation at the Daily Stormer was affirmed by the site’s administrator, Andrew Auernheimer, in a recent episode of his radio show. Auernheimer, who goes by

I have been through cyber bullying by closeminded people in my area. Tobe honest I am very headstrong so I was hardly affected by it but the way they bullied me tho, imagine them doing that to others for fun. I won't let that happen to anyone. No good people on this planet deserves to be cyber bullied when they did nothing wrong to the cyber bullies. Period.
